

## Steel City Riders 2011 MX Season Promoted Riders

Congratulations to all riders that have qualified for promotion to the next skill class. This is an indication of your improvement over the course of the 2011 MX season and is something you should be proud of.

The points have been calculated as follows;

1<sup>st</sup> place=5pts, 2<sup>nd</sup> place=4pts, 3<sup>rd</sup> place=3pts, 4<sup>th</sup> place=2pts, 5<sup>th</sup> place=1pt. The number determined for the 2011 competition series advancement is 16 for all skill classes, including GP Jr. (GP Jr. promotes directly to Intermediate) and 25 from Vet Jr. to Vet Intermediate, and 28 from Vet Intermediate to Vet Master. (These point values are subject to change based on the actual number of rounds completed). Notwithstanding promotion points, if a rider finishes 1<sup>st</sup> in more than 50% of their races, they automatically advance. Rider promotions stop at the expert level.
