

Second Annual
Veterans and Founders Day
Sunday August 13, 2017

Come and enjoy a day just for us, the Veterans and Founders of our Club. It is a social gathering between friends that share the same Off-Road Motorcycling passion. We are mixing the old and the new in a way that promises to be fun for all. See below!

- Eligibility: 30 years of age and older *(No classes for younger members)*
- Age Classes: 30 to 39, 40 to 49, 50 to 59, and 60 and over
- Transponders are not necessary but highly recommended (borrow one if possible)

The day is divided in two distinctive parts:

First half: The morning is a "Motocross Des Nations" style. Members must be in teams of three riders. MX1 races with MX2, MX2 races with MX3 and finally MX3 races with MX1. 15 minute plus one lap races. Age and engine size are not important here.

Second half: The afternoon is made of Motocross races based on age only. 30 to 39, 40 to 49, 50 to 59 and 60 and over. Two motos each class, 15 minutes in duration. There will also be a "Two stroke" and "Vintage" class.

This day is meant to be a relaxed and fun day. There's no need for trophies and plaques. Lunch will be served and the cost of the meal is included. Extra meals can be purchased by advance request. Entry is \$50 for all classes. If everyone has a transponder, results will be posted shortly after the motos.

The formula presented includes three (3) races in the morning and twelve (12) races in the afternoon for a total of fifteen (15) races. Smaller classes could be combined with another appropriate class, if necessary. On a regular race day, we now run thirty (30) races without including the 50cc's so we should be done by 5:00PM.

Advance registration is mandatory!

Download the registration form, complete and save it, email it in.

Thank you and see you at to Vet/Founders day!

Veterans and Founders Day
