

Fantastic 6 hour Sees Liberty win again!!!

In the closest 6 hour in a long time, Yamaha's Mike Liberty edged out the factory KTM of 007 (Bond) by 47 Seconds. After 6 hours of cat & mouse, Mike put on a charge to finally pull away for the victory. Greg Bastedo on a Factory Husky came in 3rd but both Euro riders went back to Europe without the elusive victory – (no bonuses!!).

In the Pro team Class, Peter Venczel and Chris Taylor managed to edge out Baker and McAlpine, with Wooley and Slikker 10 seconds adrift of Baker and McAlpine. Tyler Meade and Chris Holland rounded out the top 4 just one lap down on second and third place.

School Person Team Holland and Marks swept to victory with a fine effort, putting 18 laps in the books.

Amateur Teams saw Holmes and Bonham edge out a win over Richardson and Finnie (Kyle) who managed to hold off Baxter and Melville for the runner up spot.

In the Parent/Child class, victory was had by the screaming 2 strokes of the Macmillan Clan with the Horvath crew just edging out the Kuenzig team for second. Albert Beamer said the mud holes were soft after personally checking out a couple.

A big thank you to all the workers and Doug Fair for his Layout help! It was a wonderful day...where were you?!?!?
