

SCR National Trial Rd. # 1 - Ohsweken

Great Trial June 13/2010, bad weather (night before) much work done to change sections but many willing hands.

The story of the day was Cam's Stadium section and Jordan Szoke and Jonathan English put on a show with Szoke carding 3 cleans and a 2, with English 3 1's but a 5 and Andrew Young an excellent 5 – total.

A great day, all the riders and workers say thanks, free food, no dust and no one bitched, a totally different world (for the better).

My personal thanks to all the workers, a great job. And to the same crew who always goes above, thank you.

Last but not least, a big thanks to Cam Whiffing for a great job, it would not have happened without him.

Best Regards,

Bob Kelly
