

## **Dateline Ohsweken Ontario June 12, 2011**

Cool – Overcast – No rain – A Wonderful day!!

Thanks to all the workers especially those who did not have to, but pitched in anyways. You know who you are.

Special thanks to John Searle for all his efforts and Cam & Cal Whiffing for layout etc.

### **Szoke wow's em!!**

Jordan Szoke rode to a convincing win on Sunday at the S.C.R. Ontario Championship Trials losing only 6 marks all day.

Farr & Feimer tried hard but in the end had nothing for him.

Club riders had a mixed day with Peter Venczel pulling off a surprising victory in the Intermediate class, Cam Whiffing notched a fine 3<sup>rd</sup> in the 45+ class with Jim Jervis picking up 2<sup>nd</sup> in Junior.

Melville, Baxter, Cal Whiffing and Boughner all put in good efforts.

All in all – a fine day! If you didn't attend, you don't know what you were missing.

PS – what do R.D. and R.K. have in common?

(see Bob at the Club Track for the answer)

Get ready now for an even bigger and better event in 2012!!!

Bob Kelly
